*******Shoreline Erosion*****:**

As most of you are aware, the lake level is rising again due to the recent rains.

There are quite a few properties that could be impacted by shoreline erosion. We ask that you respect your neighbor's property and keep wakes to a minimum within 250 feet of the shore until the water levels drop. The creek is flowing, but it appears to still be coming in faster than it is going out!

Voluntary No-Wake:

Please remind your friends and neighbors to keep wakes to a minimum in the bay where the creek flows in. This will help reduce sediment levels in the lake.

Water Safety:

Remember to maintain safe distances (150 feet) from docks, swim platforms, shore and others on the lake when tubing and boating. *This includes jumping wakes with personal watercraft!*

Township Ordinances:

www.silvercreektwp.com/ordinances

Please be courteous to your neighbors by keeping your dogs leashed or under your control.

Check the township website for burning permit information.

Fish and Wildlife Committee Update:

The DNR will stock the lake again this year with 80k walleye fry. The lake association will provide for an additional 100k fry. Results were very promising when we did this 2 years ago.

Other committees:

We are in need of volunteers to help with the Education Committee, the Lake Improvement Committee, the Technical

Committee and the Fish and Wildlife Committee. Please consider joining a committee in order to help us maintain the high quality of lake life we desire.

Lake Treatments:

Lake Management will be at the June meeting to update us on treatment plans for 2011. Please come to the meeting if you have questions about treatment options.

Other items:

Remember to renew or obtain your swim raft permit from the Wright County Sheriff's Dept. Contact the records dept at 763-682-7622. Your permit number must be displayed on the raft and the raft must have reflectors on all sides.

Fundraising:

Contact John Pippert if you are interested in purchasing any Locke Lake merchandise. We have hats, beach towels, keychains, can coolers and a large supply of clothing. We plan to have the lake map ready to go this year and are open to new ideas for other fundraising items. Come to a meeting and share your ideas or send a note to us at contact@lockelake.org. This is a great way to show your support of the lake!!

We look forward to a safe and fun summer season on the lake and hope everyone supports and enjoys the resource we have!! See you on the water.
