July and August meetings are tentatively scheduled for the township hall but please review upcoming newsletters for updates or check out the website.

Voluntary No-Wake:

The Lake Association Board Members encourage all boaters to observe a voluntary no-wake zone in the small bay where the creek comes into the lake in order to minimize the stirring up of sediment from the lake bottom. Please remind your friends and neighbors!

Water Safety:

Remember to maintain safe distances (150 feet) from docks, swim platforms, shore and others on the lake when tubing and boating. *This includes jumping wakes with personal watercraft!*

Board Member Elections:

We will have a total of 3 board seats up for election in 2013. Please consider volunteering some of your time to help manage lake activities. Contact any of the current board members for questions or to get your name on the ballot in 2013.

Township Ordinances:

www.silvercreektwp.com/ordinances

Please be courteous to your neighbors by keeping your dogs leashed and barking under control. It is a misdemeanor to let your dogs run at large.

Burning permits can be obtained at the township hall.

Other committees: We are in need of volunteers to help with the Education Committee, the Lake Improvement Committee, the Technical Committee and the Fish and Wildlife Committee. Please consider joining a committee in order to help us maintain the high quality of lake life we desire.

Lake Treatments:

Those who have signed up to treat for aquatic plants this year should soon receive a notice and a card from Lake Management to post on their property as in years past. If you have not already signed up, contact Margy at Lake Management [651-433-3283](tel:651-433-3283) to see what your options are. Remember, we will be treating for all aquatic plants again this year and not just Curly Leaf Pondweed.

Swim Rafts:

Remember to renew or obtain your swim raft permit from the Wright County Sheriff's Dept. Contact the records dept at 763-682-7622. Your permit number must be displayed on the raft and the raft must have reflectors on all sides.
