### **About the Association**

Did you know that the Locke Lake Property Owners Association was founded in 1967 and there are approximately 95 property owners?

The Association consists of residents and property owners on Locke Lake and provides information about what is happening with our lake. You will find opportunities to help ensure Locke Lake becomes one of the healthiest lakes in Minnesota. The Locke Lake Property Owners Association is a not-for profit organization that considers all residents and land owners participants.

### **Our Mission Statement**

Our goal is to reduce the impact of how our properties affect the natural state of the lake and to endeavor to work together as a community to make Locke Lake an oasis just 40 miles from the big city.

### **Creek Cleaning**

A date will be determined in early September and the date will be emailed. Please consider helping clean the creek downstream from our little lake to reduce any future flooding problems.

### **Membership**

Our membership is at 56 paying members, our lowest number of paid members in over 10 years. If you have any questions or comments on membership or how to improve participation for 2014, please let a board member know.

**Correction:** The Shane Suchy family was the winner of the most fish contest. Shane is Loren and Diane Hafterson's son-in-law and the grandkids participated too.

### **NEW Locke Lake Activities coming soon!!**

**Voluntary No-Wake:**

The Lake Association Board Members encourage all boaters to observe a voluntary no-wake zone in the small bay where the creek comes into the lake in order to minimize the stirring up of sediment from the lake bottom. Please remind your friends and neighbors!

**Water Safety:**

Remember to maintain safe distances (150 feet) from docks, swim platforms, shore and others on the lake when tubing and boating. *This includes jumping wakes with personal watercraft!* Please remind your visits of this also. Thank you!
