**Lake Treatments: 2<sup>nd</sup> treatments**

If you signed up for two lake weed treatments, Lake Management will **NOT** be spraying for the second treatment. This is due to the late spraying of the first treatment due to high waters. Lake Management will issue checks back to property owners that paid for two treatments sometime in the fall.

**Creek Cleaning:**

Each fall, Locke Lake board members and property owners help clear fallen trees and debris downstream. More information will follow as to a date, time and the usual meeting place in September via email. If you are interested in volunteering for this important Locke Lake project, please contact **Lisa Evans at 763-878-1600 or 612-889-0171 or via email at l.evans@tds.net.**
